

# American Language Center

## Succeed with US

Our **General English** courses meet four times per week.

Our **Conversation** course meets once a week.

Or follow an **Intensive Program** by taking both.

Our next session runs from **October 28, 2013 – December 12, 2013**. If you haven't studied with us in the last six months, you need to start by taking a placement test so we can help you find your level.

Then choose what you want to study and when you want to come.

Our **General English** courses follow the *Interchange* textbook series and meet for two hours -- at 1:30, 3:45, or 6:00 on Sunday, Monday, Wednesday, and Thursday -- for six weeks. Cost: 250 JD (includes book)

Our **Conversation** course focuses on using the language through speaking and listening activities. It meets for two hours -- at 1:30, 3:45, or 6:00 on Tuesday -- for six weeks. Cost 50 JD (includes materials)

If you want an **Intensive Program**, take both. Classes at the same level meet at the same time. Cost: 285 JD (includes book and materials)

### Placement Test Dates

**October 20, 21, 22, 23 & 24** Test time: 1:00 PM / 4:00 PM

**October 12 & 26** Test time: 10:00 AM / 1:00 PM / 4:00 PM

**Placement test fees 10 JD, and are non refundable.**

**You must bring your ID with you for the placement test.**

To make sure you really have the skills you need, follow our **General English** or **Intensive Program**. At the end of Level 2, you will take the Placement Test again (paid for by the ALC) to ensure you are ready to go on to Level 3. If you do not score high enough, you can take a course again or do self study until your Placement Test score is high enough to move on.

We can also design special courses for specific needs.
