Kenya English Access Microscholarship students graduate

March 13, 2012

After two-year of intensive English training, 30 Microscholarship students from Malindi received their completion certificates at a ceremony attended by the Public Affairs Officer Mr. John Haynes. The program sponsored by State Department provides a foundation of English language skills to talented 14 to 18 years old from disadvantaged sectors through after-school classes and intensive summer learning activities. The students had an opportunity to develop their vocabulary, social language, basic grammar and US culture. The focus was on both fluency and accuracy in all four skills areas of reading, writing, listening and speaking. Other areas covered were basic computer skills, life skills and teaching methodology.
