PAS Nairobi Awards Micro Grants to Muslim Women Entrepreneurs

On March 27, as part of PAS Nairobi's Women History Month programming, the CAO presented micro grants of about \$500 to five women entrepreneurs in a predominately Muslim town on Kenya's coast. The winners graduated from the Embassy sponsored entrepreneurial training program and were judged by an expert panel to have written the best business plans during their training. The winners will use their grant to expand their businesses that include juice making and a bridal tailoring shop. Twenty young Muslim women Small and Medium Entrepreneurs (SME) participated in the training program. The CAO commended the participants for taking a bold step to improve their lives and the community at large.
