Narcotics Carrying Procedure and Documents Required

1. Need to get "a Bring-in Permit for Narcotics for Medical Treatment" approved by Narcotics Control Division at Korea Food and Drug Administration.

(This permit will be sent to Public Prosecutor's Office, the National Police Agency, Korea Customs Service, Incheon Airport International Postal Customs, and an applicant, etc.)

2. Documents Required

- Applicant's passport (make sure that verification of country, passport number, and name must be available)
- Medical report and doctor's prescription (to verify name of disease and prescribed details of narcotics)
- Application form (there is no standard form) (applicant name, passport number, quantity (in a mg unit), reason for carrying, contact number (fax or email to receive the permit))

3. Application Submission

Narcotics Control Division, Korea Food and Drug Administration:

Tel: + 82-43-719-2804, **Fax:+ 82-43-719-2800**

I welcome you to Korea and expect you to have a great time in Korea.
