Find the
Best U.S. Suppliers
for your company

Who is your top supplier? If it is not a U.S. company, you may not be getting the best value for your money. U.S. businesses are world-class providers of quality, innovative goods and services. However, finding the right supplier for your company can be a challenge.

That's where the U.S. Commercial Service comes in.

Located across the United States and in U.S. Embassies and Consulates in nearly 80 countries, our global network of trade professionals will help you:

- Locate U.S. products, services, and business partners.
- Meet suppliers and partners face-to-face.
- Participate in trade shows that feature thousands of U.S. companies.

Whether you are looking to import for the first time from the United States or find additional U.S. suppliers, we offer the expertise you need to connect with lucrative opportunities.

Why

Buy from the United States?

Quality. U.S. products and services are known for their excellent quality and innovation.

High Product Standards. U.S. businesses take pride in being globally competitive. The U.S. government enforces high product standards and strict safety requirements.

Customer Service. U.S. businesses deliver the highest levels of customer satisfaction and after-sales service. They will work with you to meet local requirements and preferences. Their philosophy: Pleased customers are repeat customers.

Sound Business Practices. U.S. companies follow a strong code of ethics for doing business. They understand the importance of legal contracts and delivering what they promise.

Our **Approach**

We connect you with the right U.S. opportunities.

At the U.S. Commercial Service, building relationships with our clients is important. We start by understanding your company's supplier needs. From there, we align your business with the right mix of U.S. Commercial Service capabilities that will best support your procurement goals.

With our knowledge and resources, reaching suppliers and procuring goods and services will be a far easier task. Plus, once we help you find a supplier, we can keep working with you to find additional business opportunities with U.S. firms.
