

POSITION DESCRIPTION

Painter

The U.S. Embassy in Kuwait is seeking an individual for employment in the position of Painter.

BASIC FUNCTION OF THE POSITION:

The incumbent serves as a painter in the Facility Management section. He is responsible for all painting and varnishing and associated preparatory work of USG real and personal property. In his capacity, the painter repairs and prepares surfaces prior to painting. The incumbent also performs carpentry and masonry related work, and is responsible for the finishing work on USG personal property as required. The position does all such painting tasks as required.

DUTIES INCLUDE:

1. Preparing, Painting and Coating of USG owned property.
Prepares surfaces (strips, sands, smooths, caulks/putty, patches, etc.) in order to receive coatings. Applies coating systems using proper procedures and tools to a variety of mediums, including drywall, metal, concrete, masonry, furniture, etc. Refinishing and varnishing of all wood related products, including furniture and woodwork. Conducts painting in a manner to reduce waste and spillage.
2. Carpentry/Masonry Work. - Masonry and wood related work.
Uses a variety of tools to hang, mount, or install a variety of objects or equipment (frames, accessories, equipment, doors, systems furniture). Joins objects using fasteners, adhesives, etc. as necessary. Mixes concrete or other Portland cement type products and trowels or finishes it as necessary. Erects and fastens stud work (wood or metal) and gypsum or sheet based products (drywall, backerboard, plywood).
3. Other Duties as assigned by the Facility Manager/Maintenance Supervisor
