

## QUESTIONS & ANSWERS

### SOLICITATION # SKU20016Q0030 – PR5585043 – Repair/Refurbish Embassy Tennis Court.

Question	Answer
1. Provide details for height of the all-round chain-link fence.	Height of fence is 7'-6" along pool side (1 side) and 9' along the remaining 3 sides
2. Reconfirm the ground repair/renovation area (said to be 50 sq. mtr)	Rough crack length is 105 linear meters. At 25 cm repair on each side of the crack leaves you with approximately 50 SM of repair area.
3. Picture of the existing exact color for paint restoration.	Pictures of the court and fence attached. Three colors exist: 1. Court color 2. Line color and 3. Surrounding court color. 3 Pics attached.
4. Surface re-painting clarification	Re-painting the repair areas only, to match the existing.
