U.S. Consul General Nina Fite Sends Eid-ul-Adha Greetings

Lahore – On behalf of all of us at the U.S. Consulate General Lahore, Eid-ul-Adha greetings to everyone here in the Punjab and across Pakistan. We also wish everyone performing Hajj a safe journey.

This is my first Eid-ul-Adha in Pakistan and I consider myself very fortunate to commemorate this special holiday here in Lahore. I have been moved by the wonderful Pakistani hospitality I have been shown since my arrival.

I have also been struck, by how much we have in common. We will soon celebrate the American holiday of Thanksgiving at the Consulate General and like Eid-ul-Adha, Thanksgiving is a time of reflection and charity. This is just one example of the values that our two countries share.

I look forward to traveling and visiting more of the Punjab, meeting more of you in person, and discovering what else we have in common. Once again, Eid and Hajj Mubarak and all our best wishes to you and your families during this Hajj season.
