Title:

Repair and Re-pavement of Roads

Description(s):

Added: Aug 01, 2016 8:53 am

The U.S. Embassy Beirut, Lebanon has a requirement for a firm to repair and re-pave roads inside the compound. This construction effort is estimated at \$300,000 - \$350,000 and needs to be completed in 120 calendar days, in Awkar - Metn, Lebanon. This work requires repair, maintenance and re-pavement of roads inside the U.S. Embassy Compound.

All firms that respond to the solicitation must be technically qualified and financially responsible to perform the work. At a minimum, each offeror must meet the following requirements when submitting their proposal:

- Be able to understand written and spoken English;
- Have an established business with a permanent address and telephone listing;
- Have the necessary personnel, equipment and financial resources available to perform the work;
- Have all licenses and permits required by local law;
- Meet all local insurance requirements;
- Have the ability to obtain a performance and guarantee bond and a payment bond, or to post adequate performance security, such as irrevocable letters of credit or guarantees issued by a reputable financial institution;
- Have no adverse criminal record;
- Have no political or business affiliation which could be considered contrary to the interests of the United States;
- Have good experience and past performance records; and,

- Identify specialized experience and technical competence required to complete the construction work in accordance with this solicitation.
