Competitive Grant Solicitation for International Programs to Combat Trafficking in Persons in Sub-Saharan Africa

The Office to Monitor and Combat Trafficking in Persons announces an open competition for funding of projects to provide technical assistance to governments in sub-Saharan Africa to improve their capacity to combat trafficking in persons.

The request for proposals is posted on www.grantsolutions.gov and www.grants.gov under funding opportunity number AT-ATC-14-008. To be considered for funding, proposals must be submitted by Thursday, August 21, 2014 at 5:00 p.m. Eastern Daylight Time.

U.S.-based and foreign non-profit organizations, for-profit organizations, non-governmental organizations (NGOs), public international organizations (PIOs), and institutions of higher education are eligible to apply. Applicants are encouraged, but not required, to indicate interest in submitting an application for this funding opportunity by sending a Letter of Intent to Chelsea Lord (LordC@state.gov) by August 4, 2014.
