SPLIT

A DIVIDED AMERICA

THE AWARD WINNING COAST TO COAST INVESTIGATION
OF THE DIVIDED STATES OF AMERICA

“SPLIT is a thoughtful film about one of the most pressing challenges to American democracy: our unwillingness to listen to those who disagree with us.”

MARSHALL CURRY, 2 TIME OSCAR NOMINEE, *STREET FIGHTS & IF A TREE FALLS*

“Citizen journalism at its best.”

GERALD RAFSHOON, EMMY AWARD-WINNING DIRECTOR *DECISIONS THAT SHOOK THE WORLD*

“What does it mean for our country when we can’t even discuss our political differences anymore? Interviewing noted political commentators such as Tucker Carlson, Noam Chomsky, Jesse Jackson, and Robert Putnam, SPLIT is a constructive dialogue about politics and the destructive effects that political partisanship has on America.”

JASON BUCHANAN, *ALL MOVIE GUIDE REVIEW*

“SPLIT should be required viewing for everyone.”

QBLISS MAGAZINE

“SPLIT reminds us it takes more than votes to change a country.”

MORGAN SPURLOCK, OSCAR NOMINEE, *SUPERSIZE ME*

“A sincere inquiry into the neuroses of a fractured nation. SPLIT is a rebuke to the idea that documentaries on political subjects must be adversarial -- or relentlessly one-sided -- to be worthwhile.”

PETER MARTIN, *CINEMATICAL*

“Great for breaking out of our “divide and conquer” politics and media.”
