**The Institute for Democracy Societas Civilis** is non-governmental, non-partisan, non-profit think tank founded in 1999. One of the principal activities of IDSCS is public opinion research in the area of social sciences and it holds one of the largest survey databases in the nation. The Institute regularly monitors democratic development in Macedonia and throughout the region. IDSCS envisions a prosperous Macedonia where people celebrate life and diversity.

### **Volunteering Opportunities:**

- Assistants for events
- Assistants to collect, classify, and archive data from past elections
- Assistants for projects and research
