

Milica is a licensed private home for the elderly. In addition to around-the-clock care from nurses and social workers, Milica also provides medical specialists to treat issues related to aging. At Milica, the elderly are treated with respect and receive the care that they need.

Volunteering Opportunities: Milica is currently seeking volunteer companions for the elderly. Volunteer to read to them, play cards and games with them, or assist with their daily routines. With just a few hours a week, you can make a new friend while brightening up his/her life!
