**Volunteers Centre Skopje** is a non-governmental youth organization created in 2005 to give non-formal educational possibilities to young people in different fields, promote the idea of volunteerism, and connect young people.

**Volunteering Opportunities are available with the following programs:**

- VOICES Magazine; produce monthly magazine
- Youth in Action / Erasmus+; work on various activities and events
- Educational and Entertaining Daily Center; provide workshops to children from Shuto Orizari
- NADEZ Center for Social Initiatives; provide workshops to children from Shuto Orizari
- Career Support; provide career development workshops to high school students
- Workshop development; design and lead workshops for other volunteers
