## U.S. Embassy Sponsors Volunteer Fair

U.S. Embassy Macedonia organized our first Volunteer Fair on Tuesday, May 6, at the National Library in Skopje. More than 150 potential volunteers attended the fair, which featured booths for more than twenty organizations working on issues that include domestic violence prevention, services for youth and the elderly, green energy, health awareness, animal welfare, cultural activities, student activism, and civic engagement. The event received praise from the organizations and visitors alike.
