SDSM Rally to be Held June 27, 2010 in Skopje

The Social Democratic Union of Macedonia (SDSM) political party has announced that it will hold a rally in Skopje on Sunday, June 27, 2010. The rally is scheduled to begin at 20:00h and last until midnight, although police believe participants will begin to gather at 18:00h.

The rally will take place in front of the Government building on Ilindenska Street. Ilindenska Street, and all streets in Skopje leading to Ilindenska from any direction, will be closed and traffic will be redirected accordingly. Police have announced that additional street closures may be made according to changing conditions and the flow of people to and from the rally. Approximately 30,000 people are expected to participate.

This event is expected to be peaceful in nature and police will be on site. Nonetheless, these events are unpredictable and have the potential to turn violent. Please adjust your routes and/or travel plans accordingly.
