Ambassador Wohlers Closes Tolerance Project

Ambassador Wohlers, along with President Ivanov, and mayors from Aerodrom, Kavadarci, Valandovo, Tearce, Debar, Centar Zupa and Rosoman.

On Thursday, Ambassador Wohlers, along with President Ivanov, and mayors from Aerodrom, Kavadarci, Valandovo, Tearce, Debar, Centar Zupa and Rosoman, came together to celebrate GLOBAL's first international conference, and the closing of their "Sports as a Factor of Tolerance, Togetherness, and Respect" project. The goal of this project was to strengthen inter-religious and inter-ethnic tolerance through joint activities and sports events, while providing an opportunity for young participants to establish new friendships through sports and education. "When you put a group of kids together on a field with a ball, they aren't going to stop to ask each other what religion they follow, or what their cultural background is," Ambassador Wohlers said. "In fact, they really don't even need to speak the same language. They just start kicking the ball around, playing

together, and having a good time."
