

Investment Opportunities in the U.S. and SelectUSA Summit

The U.S. is open for Business!

The U.S. Embassy in Malta in collaboration with the American Chamber of Commerce Malta will be organizing an information session on the SelectUSA Summit and investment opportunities in the United States on February 6, 2015.

If you run a business and are considering opening or expanding operations in the United States, this event will provide you with information on how to learn more about how, where and why to invest in the United States as well as details on the SelectUSA Summit in March.

Success in the U.S. market can help drive success globally. The United States is incredibly diverse, with the world's most attractive consumer market, a thriving culture of innovation, and the most productive workforce. Companies of all sizes – from start-ups to multinationals – can find the ideas, resources and market they need to be competitive.

Attendance at the event is free, prior registration is required via email cassarm@state.gov or 25614120. Please do not hesitate to contact us should you require further information.
