HIV Resources Quick Guide

Library, Information Science & Technology Abstracts

This resource indexes more than 600 core journals, nearly 50 priority journals, plus books, research reports and proceedings. Subject coverage includes librarianship, classification, cataloging, online information retrieval, information management and more. Coverage in the database extends back as far as the mid-1960s.

Literature Resource Center

Literature Resource Center is a comprehensive database on literary topics, authors, and their works. Includes full-text scholarly articles from more than 360 academic journals and literary magazines, full text of thousands of poems and short stories published in contemporary journals and magazines, and book reviews and biographical essays.

Literature Resource Quick Guide

LitFinder

LitFinder is a repository of full-text literary works, including around 150,000 poems, short stories, plays and speeches.

LitFinder Quick Guide

Middle Search Plus

Provides full-text content to more than 140 popular middle school magazines such as National Geographic Kids, Ahora!, Chez Nouz and many more. Also provides access to primary source documents, biographies, reference books, country fact sheets and thousands of relevant photos, maps and flags. This resource is designed for middle school students and their educators.

PowerKids Life Science

Provides over 400 articles on life sciences geared to science learners in grades 3 to 6 and their teachers. Additional content includes videos, interactive games and quizzes, hands-on science experiments and lesson plans. Science topics include animals, plants, the human body, food chains and food webs and more.

Regional Business News

This database provides comprehensive full text coverage for regional business publications. Regional Business News incorporates coverage of more than 80 regional business publications covering all metropolitan and rural areas within the United States.

Regional Business News Quick Guide

Teacher Reference Center

An indexing resource for educators and librarians, a collection of over 260 titles from the most popular teacher and administrator trade journals, periodicals, and

once were accessible only in the library, but now you can access them online from the library or remotely 24/7.

 Gale Virtual Reference Library Quick Guide

Global Issues in Context

Global Issues in Context offers international viewpoints on a broad spectrum of global issues, topics, and current events. Featured are hundreds of continuously updated issue and country portals that bring together a variety of specially selected, highly relevant sources for analysis of social, political, military, economic, environmental, health, and cultural issues. Each of these gateway pages includes an overview, unique "perspectives" articles written by local experts, reference, periodical, primary source and statistical information. Rich multimedia - including podcasts, video, and interactive graphs - enhance each portal. Use Browse Issues and Topics, Country Finder, Basic Search or Advanced Search to explore the database.

 Global Issues in Context Quick Guide

GreenFILE

An indexing resource for educators and librarians, a collection of over 260 titles from the most popular teacher and administrator trade journals, periodicals, and books. Records include topics such as Assessment, Continuing Education, Curriculum Development, Instructional Media, and more.

GREENR

The Global Reference on the Environment, Energy, and Natural Resources focuses on the physical, social, and economic aspects of environmental issues. Topic, organization, and country portals form research centers around issues covering energy systems, health care, agriculture, climate change, population, and economic development. Portals include authoritative analysis, academic journals, news, case studies, legislation, conference proceedings, primary source documents, statistics, and rich multimedia. Use Browse Issues and Topics, World Map, Basic Search or Advanced Search to explore the database.

 GREENR Quick Guide

Grolier Online

A collection of nonfiction content targeted for ages 7 and up. The collection includes over 120,000 articles from general reference encyclopedias like New Book of Knowledge, science intensive encyclopedias like New Book of Popular Science, social studies encyclopedias like Lands and Peoples, and La Nueva Enciclopedia Cumbre, a comprehensive encyclopedia for Spanish speakers. Additional content includes GoTube Videos, over 340,000 editor vetted web links, over 1,100 newspapers from around the world and over 1200 interactive maps which provide history, topography, political climate, current events, and more.

HIV RAP

Offers a multimedia guide to HIV/AIDS awareness and prevention. Includes information on HIV testing and dealing with the realities of living with HIV and

Quick Guide

Overview

eLibraryUSA provides access to 20 databases to users of Thomas Jefferson Information Center (TJIC). These resources cover topics ranging from current events and business news to science and the arts.

Who can access

TJIC contacts that desire remote access will be given this privilege by a carefully controlled account management system that is managed by the library/center staff. Each individual given access will receive an individual password. Usage and/or password abuse is tracked. Upon request of the contact a username and password will be sent to access any of the eLibraryUSA databases.

How to register

1. Please fill in the form and return to TJIC.
2. Upon receipt of username and password, go to eLibraryUSA home page <http://elibraryusa.state.gov>

Databases

BookFlix

An interactive literacy resource geared for early readers, reluctant readers, and English Language Learners. A collection of 95 fictional video storybooks from Weston Woods with nonfiction eBooks from Scholastic, including 25 Spanish language versions. Interactive reading features include read-along option, definitions and narrated text, author biographies, web links, and resources for educators.

Business Source Premier

Business Source Premier is the industry's most used business research database, providing full text for more than 2,300 journals, including full text for more than 1,100 peer-reviewed titles. This database provides full text back to 1886, and searchable cited references back to 1998.

Business Source Premier Quick Guide

CQ Global Researcher

Reports covering the most current and controversial global issues of the day, from 1923 to the present.

CQ Global Researcher Quick Guide

CQ Researcher Online

Reports covering current and controversial issues in the United States, from 1923 to the present.

CQ Researcher Quick Guide

ebrary (includes e-Libro and e-Livro)

Online, full-text collection of over 20,000 books in English, and 35,000 books in Spanish and Portuguese. Covers a wide range of topics, including sociology, psychology, history, political science, medicine, language and literature, philosophy and religion, education, business, the hard sciences and more.

ebrary Quick Guide

Encyclopedia Britannica

Basic introduction to over 75,000 different topics, including encyclopedia articles, maps, news, definitions, and statistics.

Encyclopedia Britannica Quick Guide

Encyclopedia Britannica for Kids

Perfect for students 8 years and above, this resource includes thousands of images, videos, animated time lines and of course, encyclopedia articles. It also has learning activities for English and language arts, mathematics, science and social studies.

Encyclopedia Britannica for Kids Quick Guide

English Language Learner

This multi-purpose information resource is designed for middle/high school students and those that are new to the English language. ELL Reference Center will help English language learners to succeed academically and in everyday life by providing assistance as they conduct research, build their background knowledge and develop study skills.

English Language Learner Quick Guide

European Views of the Americas: 1493 to 1750

Provides bibliographic content of more than 32,000 printed records about the Americas written in Europe before 1750. The indexed records cover the history of European exploration, portrayals of Native American peoples and include topics from natural disasters to disease outbreaks and slavery.

Filmakers Library Online

Contains over 1,000 full documentaries and adding over 100 titles per year. Gathering films from American independents as well as filmmakers from all over the world, this multidisciplinary collection includes documentaries on a variety of topics from race and gender studies, human rights, international relations, criminal justice, the environment, health, current events, literature, and more. Because this is a resource with videos, it may run slowly in areas with low bandwidth.

Gale Academic OneFile

This database provides access to over 42 million journal articles going back to 1980. It focuses on the subjects of physical sciences, technology, medicine, social sciences, the arts, theology, and literature.

Academic OneFile Quick Guide

Gale Directory Library

The Gale Directory Library hosts a variety of directory products. Use it to search, sort and export information from both current directory editions as well as prior editions that are maintained as searchable backfiles. Multiple directories can be cross-searched or users can mine individual directories for the particular kinds of data they contain, such as financial information for companies, circulation figures for publications, and much more.

Gale Directory Library Quick Guide

Gale General OneFile

Contains full text of over 7,800 titles going back to 1980. GeneralOneFile includes an archive of New York Times going back to 1985, as well as over 500 travel guides from Fodor's and other publishers.

General OneFile Quick Guide

Gale Science in Context

Gale Science in Context is an engaging online experience for those seeking contextual information on hundreds of today's most significant science topics. Gale's authoritative reference content is merged with full-text magazines, academic journals, news articles, experiments, images, videos, audio files and links to vetted websites organized into a user-friendly portal experience.

Gale Science in Context Quick Guide

Gale Virtual Reference Library

Gale Virtual Reference Library is a database of encyclopedias and specialized reference sources for multidisciplinary research. These reference materials
