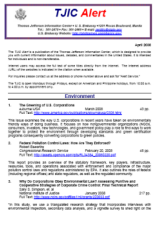
The Center is open from 8:00 a.m. to 4:00 p.m. Mondays through Fridays to serve the needs of government officials, journalists, professionals, business people, scholars, and non-governmental organization representatives. Admission is by appointment.

TJIC has a reference staff of professional librarians who provide reference and outreach services by phone, fax, e-mail, and post.

PRODUCTS & SERVICES

Among the outreach services are:

- *TJIC Alert Service:* an annotated list of periodical articles, special reports, and government documents distributed monthly to a select list of contacts on the latest developments in their area of interest.



- *Subject Bibliographies*: These are lists of information sources on specific subjects available at TJIC and/or retrievable from online resources.

- *Lectures and Training*: The TJIC professional staff give presentations and workshops on effective internet searching for information on the U.S. and USG policies.

- *Digital Video Conferencing*: TJIC facilitates conferences from remote locations on issues of interest to audiences around the Philippines.

- *Webchats*: TJIC connects through this interactive tool to communicate in real time using easily accessible web interfaces. It features experts, opinion makers, U.S. government officials and community leaders and provides a dynamic forum for open discussion.
