

I acknowledge that I have read the Country Specific Information as well as the Travel Warning(s) for Mexico at: http://travel.state.gov/travel/cis_pa_tw/cis_pa_tw_1168.htm.

I further acknowledge that I am aware that there is a Smart Traveler Enrollment Program possibility at this same link that will allow me to register my travel with the nearest Embassy/Consulate. I have shared this information with my research colleagues, and we will re-read the information before performing our actual travel.
