Outpatient Services / Clinics: Monday - Friday 8am - 8pm

Saturday 8am - 1pm; Sunday closed

On call 24/7 - Pediatrics and OB & GY departments

The hospital is located in the Khan-Uul district, northwest of Bogd Khan Palace Museum and east of APU Company. It is the most modern hospital in Ulaanbaatar, recently opened in May 2014, with brand new medical equipment, 24/7 emergency room and an ambulance. There are over 15 outpatient clinics, including pediatrics, obstetrics and gynecology (OB&GY), ear nose and throat (ENT), dentistry, internal medicine and more. The hospital also provides emergency services, intensive care (ICU), general surgery and medical evacuation services. Doctors are Korean and Mongolian; about 85% of MDs (not staff) speak English. Call for an appointment or reserve online.

POC Ms. Undral Dorj +976-99055533

This modern medical facility is equivalent to a U.S. general practice with all English-speaking staff. It has X-ray, ultrasound device and general lab facilities on site. Membership-based facility; non-

members will be treated, but only for short-term visitors to Mongolia and they will check passport for verification. Can refer patients to specialists and other facilities if necessary. SOS Medica is a clinic, not a hospital. No major surgical operations can be done there. They can arrange domestic or international evacuations, if required.

Cash and some credit cards accepted.
