

Women Entrepreneurship Signature Event

Innovation and Inspiration - The Next Billion Rising

EVENT DETAILS

This event will provide an opportunity for women entrepreneurs to give a 3-minute pitch of their business to judges and the audience. It is also an opportunity for corporations to make high level social impact investments to support women's economic empowerment and job creation. Judges will listen to two rounds of pitching sessions and provide feedback to each participant. The finalists will compete in the final pitching competition for prizes.

CRITERIA

Women-owned startups, early stage companies (2-3 years of experience) and small and medium enterprises (3+ years of experience) are eligible to participate. Entrepreneurs will be judged on the following categories: 1) Innovation & Technology Usage; 2) Growth Potential; and 3) Social Impact: Job Creation, Environmental Preservation; Community Development Impact.
