PEPFAR Zambezia

Partnership for an AIDS-Free Mozambique

MISSION

The U.S. President's Emergency Plan for AIDS Relief (PEPFAR) is a proud partner in Mozambique's fight against HIV/AIDS by supporting the global priorities set forth in the AIDS Free Generation policy while concurrently partnering with the Government of Mozambique's National Accelerated Response to HIV/AIDS. PEPFAR represents the largest commitment by any nation to combat a single disease internationally and to date has contributed approximately $1.9 billion USD in an effort to treat current infections while combating the spread of new ones . With a national adult HIV prevalence rate of 11.5%, PEPFAR works across all 11 provinces and with 92 separate partners. Working through the U.S. Embassy in Maputo, PEPFAR prioritizes high-impact interventions and geographic areas, while focusing on a continuum of response by addressing key and
