Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specification either temporarily or permanently without incurring any liability to any prospective purchaser or purchasers.

Fuel economy and emission figures obtained from controlled tests on a combined cycle. Note that the actual fuel consumption and emission will depend on many factors including your driving habits, prevailing conditions and your vehicles equipment, condition and use.

The information contained in this website is an overview intended for awareness purposes only. Visuals may show specifications, accessories and options not available in South Africa. Left-hand drive models may be shown for illustrations purposes only.

All information, specifications and illustrations are based on the latest product information available at the time of publication. FMCSA reserves the right to make changes at any time, without notice, to the colours, material, equipment, specifications and

models, and is not responsible for typographical errors. Such changes may affect vehicle pricing and vehicle content. All prices shown are recommended retail prices, which are not binding on FMCSA or the Dealer network. The recommended retail price includes VAT and Environment Tax (Environment Tax includes CO₂ Emission Tax and Tyre Tax) but excludes Dealer delivery and related charges.

The declared fuel consumption and CO₂ emission figures were achieved during technical laboratory testing in accordance with the legislated technical specifications (SANS 20101: 2006 / ECE R101: 2005). Fuel consumption and CO₂ emissions figures are used to compare different vehicle types under uniform conditions and are not necessarily indicative of real-life driving conditions. Note that the actual fuel consumption and emissions levels will depend on many factors including individual driving habits, prevailing conditions and vehicle equipment, condition and use.

Please contact your nearest approved Dealer or the Customer Relations Centre to confirm specific features, applicable terms and the non-binding retail prices of vehicles recommended by FMCSA in effect at the time of purchase.
