

WEB CHAT MODERATOR: Welcome to the Diversity Visa web chat. Our consular officers will start answering your questions now.

abc: Suppose I win a DV lottery. and got a green card. Do I still need F1 visa to continue my further study in US?

\* CONSULAR OFFICER 1: If you win the DV and get a green card, you won't need an F1 student visa. You will be a legal permanent resident of the US.

abc: What is the first step we need to do after we are confirmed through official website that we have won the DV lottery?

\* CONSULAR OFFICER 5: go to [www.dvlottery.state.gov](http://www.dvlottery.state.gov) for further instructions

ramesh: I AM THE DV 2012 WINNER AND HOW CAN I KNOW THE ARRIVAL OF SECOND LETTER . WHERE CAN I FIND THE LETTER AND DATE OF THE INTERVIEW. PLEASE SUGGEST ME AND HOW MUCH IS SURE THAT WE WILL GET THE VISA. THANK YOU.

\* CONSULAR OFFICER 3: Hi Ramesh, the only place you need to check is this website: [www.dvlottery.state.gov](http://www.dvlottery.state.gov)

Anu Mulmi: I have selected for further processing but when I filled up the form of edv 2012, I am unmarried.

\* CONSULAR OFFICER 1: Anu, I can't post all of your question here but you are basically asking what to do if you get married after you win the DV lottery. The answer is to send an email to [consktm@state.gov](mailto:consktm@state.gov) and let us know about your new marriage. You will need to fill out information about your new spouse and you will need to pay the DV fee for both you and your spouse at the time of your interview.

Anu Mulmi: Still I am unmarried but I am going to marry on this dec 2011.

\* CONSULAR OFFICER 5: It is no problem to marry after getting selected for the lottery, you may apply for the new family members. If you get married, let us know at [consktm@state.gov](mailto:consktm@state.gov)

mahesh: Please tell me ,where can we find the kentucky consultant centre's posts of the current case number range every month?

\* CONSULAR OFFICER 1: You can get this info at [travel.state.gov](http://travel.state.gov) under "Visas" and then "Visa Bulletin."  
[http://www.travel.state.gov/visa/bulletin/bulletin\\_1360.html](http://www.travel.state.gov/visa/bulletin/bulletin_1360.html)

hari koirala: How many lot will be there for the DV result? for e.g. if my name didn't come in first check, than what will be the probability of second check after some days.

\* CONSULAR OFFICER 1: There are no lot numbers. For the 2012 DV, you can continue to check to see if you have been selected between July 15, 2011

and June 30, 2012. You can see what cases have been processed at [travel.state.gov](http://travel.state.gov) under "Visas" and then "Visa Bulletin."

hari koirala: How the lottery's draw is done? for e.g. all the application is processed at once or it is drawn differently like job application differently, education qualification different, and other .?

\* CONSULAR OFFICER 4: Hi Hari--this is a good question. The drawing of the lottery is done by a randomly selecting computer program. The drawing is held only after the entries are closed, so that every entry has an equal chance. Only after an entry is selected, does the applicant need to demonstrate the necessary qualifications such as education, etc.

hari koirala: What is the position of commodity broker in job's level? I couldn't find clearly it's level on O'net?

\* CONSULAR OFFICER 5: You will have to look on O\*Net for a job that fits the description of your current job. They may not always have the same title. You can look at <http://www.onetonline.org/find/> - Qualifying jobs have an SVP range of 7.0 or higher. It is VERY HARD to qualify based on work experience.

kalewakids: what are the main criteria for visa who has got second letter

\* CONSULAR OFFICER 5: As with any DV interview, there are only 2 qualifications - that you meet the minimum education requirement and that you have listed all of your family members. Although those are the minimum qualifications, you can be disqualified for a DV if you presented fraudulent documents or other material misrepresentation, fail to overcome public charge, and if you have any medical ineligibilities

Saurav Gautam: Currently i am studying A-levels and i want to apply to undergrad program at some US universities. If i apply for Diversity Visa then will it not create problem while applying for student visa?

\* CONSULAR OFFICER 2: Hi Saurav,  
You have to have 12 years of education to apply for a DV. Applying for a DV visa while you are applying for schools in the US or while you are already a student in the US is not a problem.  
Regards.

shyam: Dear sir, my wife is a winner of dv2012, her case number is around 14000 when will be second letter come and interview is in english language or Nepali Language.

\* CONSULAR OFFICER 3: Shyam, the interview can be completed in either English or Nepali. We are able to understand both languages. You can check the status of her case and get your interview date at [www.dvlottery.state.gov](http://www.dvlottery.state.gov)

roshan: i've applied 2 times for student Visa for MBA and i was rejected twice. ...during second interview i was told not to apply for US again?can i apply again even the consular told me that?

\* CONSULAR OFFICER 3: The consular officer meant that you would probably not qualify for another student visa. You are able to apply for any visa, including the Diversity Visa.

Manoj: iwon dv lottery for 2010, what documents should i have to submit??

\* CONSULAR OFFICER 5: Manoj ji, I'm afraid we are processing DV2010 visas now and people are finding out interview dates for DV 2012. DV 2013 will be starting soon. I'm afraid you are too late for your interview, your DV 2010 season has closed.

Sagar Gautam: Is there still a chance to win the dv lottery 2012 or u have disclosed all the winners

\* CONSULAR OFFICER 2: Hi Sagar, the DV lottery 2012 is closed - but you can enter the 2013 DV lottery. The online registration period for the 2013 Diversity Visa Program (DV-2013) will begin on Tuesday, October 4, 2011, at noon, Eastern Daylight Time (EDT) (GMT-4), and conclude on Wednesday, November 2, 2011, at noon, Eastern Standard Time (EST) (GMT-5).

Anu Mulmi: I am still unmarried and after 2 months I am going to marry, on that condition, how can i proceed for 2 step

\* CONSULAR OFFICER 5: You may apply for additional family members. If you have not yet received an interview appointment, fill out form DS-230 and send it to the Kentucky Consular Center (KCC). If you already have an interview appointment at the embassy, send us an email at [consktn@state.gov](mailto:consktn@state.gov) or visit us any Wednesday or Friday between 1:30pm and 3:00pm. Come see us if you have any questions.

diksha bhattarai: I've won 2011 DV , and i would like to know what documents should i have to submit at the interview?

\* CONSULAR OFFICER 4: Hi Diksha--this is a great question for everyone. We have a complete checklist of all the required documents posted on our website. Please carefully review: <http://nepal.usembassy.gov/visas/immigrant-visas/diversity-visa-program.html>

Manoj: I won dv lottery for 2011, what documents should i have to submit?? for interview

\* CONSULAR OFFICER 2: Hi Manoj, Applicants in DV interviews are required to demonstrate that they met the educational or employment qualifications for the DV program when they applied for the DV. Bringing original transcripts and mark sheets from

your university or high school (SLC and intermediate or plus two) education will help to demonstrate educational history.  
Regards.

ramesh: where can we get the second letter notification ??? in visa bulletin . if yes then till now i could't see it in the web site . can't we know it from the website of us embassy of nepal?

\* CONSULAR OFFICER 1: Rameshji, I assume you're talking about the second notification for DV 2012. You might not get a letter but you can check your status and appointment date through [www.dvlottery.state.gov](http://www.dvlottery.state.gov) - The DV bulletin tells you what cases have been processed. It is available at [travel.state.gov](http://travel.state.gov) under "visas" and then "visa bulletin."

ram thapa: dear sir, my wife is a dv winner of 2012 her case number is 13000 around when will come second letter and what is the chance to get a visa?

\* CONSULAR OFFICER 5: She will not receive a second letter. She needs to log in at [www.dvlottery.state.gov](http://www.dvlottery.state.gov) with her user name and password and see if she received notice that she won.

Sagar Gautam: when will the edv 2013 will begin

\* CONSULAR OFFICER 4: Hi Sagar! Thanks for this question. The online registration period for the 2013 Diversity Visa Program (DV-2013) will begin on Tuesday, October 4, 2011, at noon, Eastern Daylight Time (EDT) (GMT-4), and conclude on Wednesday, November 2, 2011, at noon, Eastern Standard Time (EST) (GMT-5). Check back later for the DV-2013 instructions, which are not yet available.

diksha bhattarai: is it necessary to show bank balance , who have won DV lottery ? i have prepared my bankbalance ...what should i do?

\* CONSULAR OFFICER 5: You do not need to show a bank balance at the DV interview. We ask that you have a sponsor in America because the initial days of entering into the US you may find yourself in various difficult situations. This is when your sponsor can prove to be really helpful to you. In addition a U.S mailing address is required so that your green card can get posted at that address.

Saurav Gautam: My examination report will be published on january 2012. Can i apply for diversity visa opening on 4 october 2011?

\* CONSULAR OFFICER 5: Yes. Just be sure that you pass your +2 and that you schedule your interview AFTER your exam results return. Good luck!

Anu Mulmi: For 2 step , do I have to submit education , work certificates ?

\* CONSULAR OFFICER 5: Once you have been selected, you can come in to the Embassy to find out all the information you need about submitting your

documents and getting your medical exam, etc. We have Inquiry hours for DV Wednesdays and Fridays from 1-3pm.

Sagar Gautam: If more than one member of the same family win the dv lottery, what will happen? All will get the visas at the interview or else will happen?

\* CONSULAR OFFICER 1: Sagarji, if more than one family member wins the DV, you are a very lucky family! If this happens to you, send us an email at [consktm@state.gov](mailto:consktm@state.gov) and we'll coordinate the process.

Manoj: what information should I have to know about the person who have send me thae welcome letter?

\* CONSULAR OFFICER 3: They should be someone who will genuinely help you when you first arrive in America. This is for your protection. You should already have some kind of relationship with them. If you have a relationship with someone, you will be able to answer simple questions about their life, their family, and why they are willing to help you.

Saurav Gautam: How and where can i apply for diversity visa. Can you give me reliable link that i can follow

\* CONSULAR OFFICER 4: Hi Saurav---this is a very important question! There is only ONE website where you can apply for the Diversity Visa: <http://dvlottery.state.gov> There are many other websites which claim to accept entries, but they are usually scams. Do not trust those websites! Always refer to our official websites only. Here's a video clip about DV Fraud in Nepal:  
[http://www.youtube.com/watch?v=VWZPgRojY8&feature=channel\\_video\\_title](http://www.youtube.com/watch?v=VWZPgRojY8&feature=channel_video_title)

Sanket Tandan: Hi, I am a Nepalese student currently persuing undergraduate study in India. i will be completing my under graduate course in June, 2013. if the result is declared before my course ends, I may not be able to appear for the interview. Is there any chances of the result being declared before June, 2013?

\* CONSULAR OFFICER 5: The results are usually posted the summer following, for example DV2012's results should be posted in June or July of 2012. If you are studying, try to schedule your interview during one of your breaks as you do have to interview in person. Send us an email at [consktm@state.gov](mailto:consktm@state.gov) if you have questions.

rohan: hello sir,can a student in us can process for immigrant visa??if yeah then what r the requirements?

\* CONSULAR OFFICER 3: If you are a Nepali citizen and residing in another country you can apply. The application is online and can be done from anywhere. The requirements are the same whether you are currently in Nepal or America, or any other country.

ramesh: how can we check the appointment date through [www.dvlottery.state.gov](http://www.dvlottery.state.gov) as i couldn't see it nowadays or it has not started yet??? what will be given our name or something else and you wrote above to log in with user name and password .. what will be the username and password ??? please clarify so that i can understand from the depth.

\* CONSULAR OFFICER 2: hi ramesh, [www.dvlottery.state.gov](http://www.dvlottery.state.gov) is working. if you want to check the status of your 2012 DV entry, you need to provide your DV confirmation number that you got at the time of your DV application. regards. Results are posted gradually - so your results may not be available yet. You can see the numbers of the cases that have been processed at [www.travel.state.gov](http://www.travel.state.gov) under "visas" and then "visa bulletin"

ramesh: if we succeed to get visa where should we go or is it our choice to choose the place???

\* CONSULAR OFFICER 3: Ramesh, once you reach America everything is up to you - where to live, where to work, everything. There is a lot of freedom in America but also a lot of responsibility. You should make decisions like this only after careful research and consideration based on your wants and needs.

diksha bhattarai: thanks for the above information...i would like to ask you that what type of question is going to ask me in the interview and especially about the sponsor? is the sponsor is the same person who has sent me a welcome letter

\* CONSULAR OFFICER 1: Hi Diksha, You should know who your sponsor is and they should be someone willing to help you out when you get to America. You might need a place to stay, some food, someone willing to drive you somewhere or help you with paperwork. Moving to the US is not easy. So make sure you have a real sponsor who can really help you - not just a name on a welcome letter.

Saurav Gautam: Can i apply myself or do i have to take help from some institutes?

\* CONSULAR OFFICER 5: Absolutely you can apply yourself! In fact, we encourage it. As long as you can fill out the form and you take care to do it properly and honestly, listing all your family members and being honest about your education and your job you should not need anyone else's help. It is also good to apply on your own because then you have control over your user name and password for accessing your DV information to find out if you won or not.

Sanket Tandan: my indian friend wants to know if any indian national can apply for DV or not?

\* CONSULAR OFFICER 4: Hi Sanket, currently citizens of India are not eligible to enter the DV. Every year, the list of eligible countries changes.

45. ramesh: what will be checked in medical test

\* CONSULAR OFFICER 3: The medical check is a very thorough physical examination. The doctors will check just about everything and ask questions relating to your medical history.

47. Anu Mulmi: Until which date , I have to submit Form DSP-122 and Form DS-230, Part I and II?

\* CONSULAR OFFICER 1: Anu, there is no fixed time but the sooner you do it, the better. If the Kentucky Consular Center doesn't have the required documents in time for your interview, they will not process your case and you will lose your DV.

48. Saurav Gautam: Do i have to pay while applying?

\* CONSULAR OFFICER 4: Hey Saurav---another great question. There is NO COST to submit an entry to the DV Lottery. You only pay a fee IF your entry is selected. And you will only pay the fee at the US Embassy. Never pay money to any visa broker or other agency which claims to process your DV.

50. Manoj: while i was applying 4 dv i was single now i am married... my wife is in USA... can we be both together for process?

\* CONSULAR OFFICER 2: If you were single at the time of the registration and now married with a child, you may apply for the new family members.

51. Sanket Tandan: who does the sponser refer to? can it be friends too who have been there on F1 visa?

\* CONSULAR OFFICER 3: It should be someone who will help you when you first arrive in America. This can be a student in F-1 status.

52. ramesh: what will be our user name and password for accessing our DV information to find out if got second letter or not

\* CONSULAR OFFICER 1: Ramesh, you will get that information when you register for the DV. Make sure you keep the information you get when you register because, if you lose it, there is no way to get it back!

53. Padam Niroula: as I know EDV program will be over from this years is this true?

\* CONSULAR OFFICER 4: Hi Padam: the DV program is not over. In fact, citizens of Nepal can submit entries for the DV-2013 program starting Tuesday, October 4, 2011.

54. ramesh: can't we know we got 2nd letter from website of us embassy of nepal??

\* CONSULAR OFFICER 5: No. This is a global program, it is not run through US Embassy Kathmandu. This is why you must visit [www.dvlottery.state.gov](http://www.dvlottery.state.gov) and follow the link to log on to see if you got the second letter.

55. Sundar: Good afternoon , when 2013 dv result will be published ?

\* CONSULAR OFFICER 5: Results are usually published the summer of the year prior. So Next summer, June or July 2012 is when you should expect to see the results of DV 2013.

56. Manoj: what can we do if she have classes running there without coming here.....

\* CONSULAR OFFICER 2: She will have to come to Nepal for the interview. Once she has been given an appointment time, she may be able to request a change of appointment time by writing to [consktn@state.gov](mailto:consktn@state.gov). However, even if you request it, due to the circumstance, we may not be possible to change the date.

57. Sanket Tandan: so last question counselor, suppose I don't have any sponsor in the us, will it decrease the probability of getting immigrant visa?

\* CONSULAR OFFICER 5: Most Nepalis know at least someone in America. If you don't personally know someone, there are many Nepali organizations in America who may be willing to set you up with a sponsor. Don't pay for a sponsor, though. A sponsor should be a good person who wants to help you. This is for your protection.

58. Sagar Gautam: For how long US is planning to continue this program for Nepal?

\* CONSULAR OFFICER 4: Hi Sagar--this is a very complex answer, but basically we don't know how long Nepal will be eligible for the DV program. It all depends upon how many citizens from Nepal migrated to the US during the previous 5 years, and how that number compares in ratio to other countries in Asia. So really there is no way to tell in advance how long Nepal will be eligible.

60. Padam Niroula: when will stopped to selection process for 2012?

\* CONSULAR OFFICER 1: Padam,  
The DV 2012 selection process is already over. The DV 2013 selection process will begin on Tuesday, October 4, 2011, at noon, Eastern Daylight Time (EDT) (GMT-4), and conclude on Wednesday, November 2, 2011, at noon, Eastern Standard Time (EST) (GMT-5).

61. Ramesh: publication of 2nd letter of DV 2012 has started in website [www.dvlottery.state.gov](http://www.dvlottery.state.gov) or not???? as I couldn't see it.

\* CONSULAR OFFICER 5: Yes, Ramesh ji, it has. You should continue to check the site.

62. Kalew kids 2: hi, does the case number affect my chance of getting visa..

\* CONSULAR OFFICER 5: Yes, the lower your case number the better your chances of winning.

63. Manoj: the person who have sent me sponsor letter is my sister's friend sister and I know her since 2009..so I have suggested by her that she will be responsible for me when I came there in America to I would like to ask you that..in this condition is it necessary to show bank balance.... because my sister is also in America

\* CONSULAR OFFICER 5: You do not need to show bank documents of the sponsor. The sponsor is to help you get on your feet so you have a place to stay and some emotional and financial support when you arrive. It also gives the US government an address to send your green card to.

64. shiva thapaliya: i have many question

\* CONSULAR OFFICER 3: Hi Shiva, please ask!

65. shiva thapaliya: we can ask question only for dv ..or other else

\* CONSULAR OFFICER 2: Just DV questions please

67. kalewakids 2: how many visa are available this year for DV..is there any fixed quota for Nepal

\* CONSULAR OFFICER 5: Hi, in DV2011 there were 2,189 visas available to Nepal. However, the number is decided on a complex ration which includes how many immigrants have gone from each country to the United States in a given year. There will be over 3000 visas available for Nepal for the 2013 DV.

68. Padam Niroula: so it there no chance to win I was cheking my status again and again? Do I stopped to check my application status?

\* CONSULAR OFFICER 1: Padam, I mispoke. The 2012 DV ENTRY process is over. The results are still coming out. You can see what cases have been processed in the DV Bulletin at [www.travel.state.gov](http://www.travel.state.gov). You can check your result at [www.dvlottery.state.gov](http://www.dvlottery.state.gov)

69. diksha bhattarai: what type of question is going to ask me in the interview esecially related to sopsner letter and about that person?

\* CONSULAR OFFICER 3: The types of questiosn that will convince us that the sponsor is genuine and will actually help you when you first arrive in America.

70. shiva thapaliya: my bro have got first letter ..and he have completed the master leve.l..i means to say..does the 2nd letter will be selected from education list or property or what

\* CONSULAR OFFICER 5: Shiva ji, I am not entirely sure I understand your question. However your brother will receive the second letter if his number is within the pool of qualified applicants that won the DV.

71. ashish: how did u select the person for dv?

\* CONSULAR OFFICER 2: Hello Ashish,

It's a lottery, so it's random. A computer program makes random selections. But to qualify for the DV, the winner must have the equivalent of twelve years of education. You must also have the financial resources to support your visa application, and you must be able to show that you have sufficient financial resources to support yourself and your family in the United States to qualify for the visa. Regards.

72. diksha bhattarai: should i ve to know about the sponser and about her family ..spouse??

\* CONSULAR OFFICER 1: Diksha, I can't talk about the exact questions that we will ask. But, if you really know this person and they are really the kind of person who will help you out, you will do fine in your interview.

73. ramesh: publication of 2nd letter of dv 2012 has started in website [www.dvlottery.state.gov](http://www.dvlottery.state.gov) or not???? as i couldn't see it.

\* CONSULAR OFFICER 5: Yes, people have begun to receive the second letter. However it is not posted to [www.dvlottery.state.gov](http://www.dvlottery.state.gov). You need to go to that website, then click on the link to sign in with your personal username and password. AFTER logging in, you will be able to see if you have received a second letter yet or not.

74. sanjit: when next dv program will beign ?

\* CONSULAR OFFICER 4: Hi Sanjit--great question. The online registration period for the 2013 Diversity Visa Program (DV-2013) will begin on Tuesday, October 4, 2011, at noon, Eastern Daylight Time (EDT) (GMT-4), and conclude on Wednesday, November 2, 2011, at noon, Eastern Standard Time (EST) (GMT-5). Check our website later for the DV-2013 instructions, which are not yet available.

75. ashish: home many person of nepal has got the dv this year?

\* CONSULAR OFFICER 4: Hi Ashish: for DV-2011, there were 2,189 visas available for citizens of Nepal.

76. kalewakids 2: is there any difference for DV fees for single applicant and married couple with no child? if yes how much?

\* CONSULAR OFFICER 1: Yes. The fee for each applicant is \$819. For a married couple, the fee is \$1638.

77. Manoj: what type of question are asked to the student whom have won DV ?

\* CONSULAR OFFICER 2: Hi Manoj,  
The questions are no different for a student. We would ask about educational qualifications and financial resources to support yourself and your family in the United States to qualify for the visa.

78. shiva thapaliya: i know that ...but after 2nd l;etter will we have show bank balance or ..different document.

\* CONSULAR OFFICER 5: After you receive the second letter, come to DV inquiry hours at the Embassy Wednesdays and Fridays from 1-3pm and you can get a packet explaining all the documents you need to provide and how get your medical form completed.

79. Sagar Gautam: If this year the site shows YOU HAVE NOT BEEN SELECTED FOR FURTHER PROCESSING ::It means one is disqualified for this year DV or still there is possibilities?

\* CONSULAR OFFICER 3: That means there are no more possibilities for this year. You can always apply again next year!

80. ashish: among 2189 didi all got the dv?

\* CONSULAR OFFICER 4: Hi Ashish, well there were 2189 from Nepal who were selected. We are still processing their applications, so we don't yet know

exactly the final number. All DV-2011 applications must be processed by September 30, 2011. If someone doesn't complete their application on time, then they won't get the visa.

81. sanjit: Can i ask one question , regarding your objectives over diversity visas ?

\* CONSULAR OFFICER 4(privately): Not sure what you mean, but go ahead and ask your question.

82. deepak: i have tried more than 7 years.but i can not win dv.why sir?

\* CONSULAR OFFICER 5: It is a random lottery drawing. There is no reason for winning nor not winning, it is by luck and chance only. Jiwan estai chha.

83. diksha bhattarai: the person is my sister's friend sister and i know her through my sister but i dont know more about her spouse who is an american ..is it enough for me to know about her only?

\* CONSULAR OFFICER 5: Yes, that's fine. Again, the main purpose of the sponsor is to make sure you have somewhere to go when you arrive, you have someone to help you, a place to eat, a place to have your green card sent, etc etc etc. It is for your benefit that we request you obtain a sponsor.

84. Ranjan Ojha: Why not the US issue diversity visa on basis of academic and professional background unlike Canada does?

\* CONSULAR OFFICER 1: You can qualify on the basis of work experience instead of education in the DV but it is VERY HARD. There is more info on qualifying based on work experience at [travel.state.gov](http://travel.state.gov).

85. kalewakids 2: i didn;t get about the website i need to check for notification about second letter.can you please mention it again

\* CONSULAR OFFICER 3: [www.dvlottery.state.gov](http://www.dvlottery.state.gov)

87. deepak: if i win dv,it is sure or not to get visa?

\* CONSULAR OFFICER 2: Hi Deepak,

You have not won a visa if you've won the DV lottery. What you've won is a chance to interview for the diversity visa. Not everyone who wins the DV though is selected to interview. If you receive an interview date, you will have to come to the embassy and demonstrate at the interview that you have the equivalent of twelve years of education. You must also have the financial resources to support your visa application, and you must be able to show that you have sufficient financial resources to support yourself and your family in the United States to qualify for the visa.

88. shiva thapaliya: when will be the 2nd letter result will be published

\* CONSULAR OFFICER 1: Shiva, you can look to see which cases have been processed in the DV bulletin at [www.travel.state.gov](http://www.travel.state.gov) When your number has been processed, you should check [www.dvlottery.state.gov](http://www.dvlottery.state.gov) to see if you have been selected.

89. deepak: if i win dv,it is sure or not to get visa?

\* CONSULAR OFFICER 5: If you win the opportunity for a visa interview, it is still not guaranteed you will get the visa. You should NOT apply for

the DV at all unless you have BOTH the required education (or qualifying work experience) and you included all family members in your application. People who are qualified for the DV to begin with, then win the interview, easily obtain the visa. It is very easy to get if you are qualified. Do not apply for the DV if you are unqualified. You will not receive the visa and if you bring fake documents you will NEVER EVER be qualified for another visa of ANY KIND to the US in the future. Only apply if you meet the qualifications.

90. WEB CHAT MODERATOR: We have just a few more minutes left in the web chat. The consular officers are working hard to answer all your questions.  
\* WEB CHAT MODERATOR:

91. ashish: that is there any difrence of getting dv filling single form or with family?

\* CONSULAR OFFICER 4: Hi Ashish---your chances of winning the DV are equal, whether you are single or married. It does not make a difference. However, if you enter as a single, but you are really married, then your application will be disqualified.

92. kalewakids 2: how does it take to obtain second letter

\* CONSULAR OFFICER 1: It depends on how high your number is. Check what numbers have been processed in the DV Bulleting at [www.travel.state.gov](http://www.travel.state.gov)

93. Manoj: ma mero wife lai USA bata nai sangi aplly garau milcha with proof?

\* CONSULAR OFFICER 5: milcha

\* CONSULAR OFFICER 5: Tara taapaako wife aaunuparcha Nepalmaa antarbatoko laagi

94. deepak: if win dv when i am out of nepal,should i try for forther process or i have to come nepal for that?

\* CONSULAR OFFICER 5: You will still need to come to Nepal to do you interview

95. Manoj: k k submit garnu parchha???

\* CONSULAR OFFICER 5: sabai jaankari [www.dvlottery.state.gov](http://www.dvlottery.state.gov) ko sitemaa chha. tyahaa aaunus na

96. ashish: this chat is only for dv or othere too/
