Attention: Centraal Orgaan Verklaring Omtrent het Gedrag (COVOG)

Dear Sir/Madam:

We are writing with regard to the enclosed request for a certificate of good conduct or Verklaring Omtrent het Gedrag (VOG)

The enclosed documents relate to a person who is applying for a visa to the United States.

As per U.S. legal requirements, they are required to submit a Dutch certificate of good conduct because:

1. They are seeking to emigrate to the United States, and/or
2. They are applying for a visa to enter the United States and have indicated there are possible legal problems that may or may not require a waiver.

As indicated on your website, applicants can apply for the VOG individually if the application relates to a visa application. Please accept this letter as confirmation the enclosed application for a VOG relates to a non-immigrant (tourist or employment) visa or an immigrant visa application for the United States of America. The specific screening profile, as indicated on your application, is "visum en emigratie".

We would appreciate your assistance with facilitating this request.

Sincerely,

Immigrant visa department
