

Section B, Scope of work/ Scope/ Requirements part 1 is deleted in its entirety and replaced with the following revised Paragraph:

## **B. SCOPE OF WORK**

The work to be completed will be full replacement of the exterior marble stairway, including the side pillars, at the Tobias Asserlaan #4, The Hague.

### **Scope:**

This Statement of Work (SOW) addresses the replacement of the marble exterior stairway at Tobias Asserlaan 4, the Hague, acquisition and installation of replacement Tavertine, install new kick plates, cleaning and polishing. The replacement will provide a similar look to the existing building with a view that matches the current building. The overall look must remain professional.

### **Requirements:**

1. Contractor shall furnish all labor, materials and equipment necessary to perform the following:
  - a. Contractor shall provide color and product samples for approval prior to starting work (Color of Tavertine will be similar as existing: cream white)
  - b. Contractor shall replace the Marble stairs and flooring outside the residence with Travertine Anti-Slip top, high quality.
  - c. Replacement of the riser(s) (Ned: Stootbord) shall be placed 1 cm from the front of each step.
  - d. The Pillars and small walls on both sides will be completely rebuild using small bricks (Ned: Vechtsteen) with a color similar to the building bricks (Ned: Boeren rood), all grouting shall be renewed.
  - e. Remove existing material and dispose of properly as described below.
  - f. Install new flooring and all associated trim work needed.
  - g. Area equates to approximately:
    - 4 square meters of "travertin"
    - 10 running meters "travertin" kick plates (10 cm high)
    - 35 running meters " of grouting.
  - h. Contractor will remove the whole stairway and sides, clean underneath and rebuild from the ground up using new materials. The work shall be completed from the center to the outsides.
  - i. The existing brick ramp will not be touched, broken or changed and will remain as part of the Stairwell structure. (located on the right side)
