

TERRORISM & HOMELAND SECURITY

"If the events of September 11th have proven anything, it's that the terrorists can attack us, but they can't take away what makes us American - our freedom, our liberty, our civil rights." - **Jon Stewart on *The Daily Show***

[Rebuilding and Resilience: Five Years After 9/11](#)

This e-journal examines how the United States has rebounded and how the international community has rebuilt and come together to condemn terrorism in the five years since the September 11, 2001, terrorist attacks. Highlights include articles about the rebuilding of the area around the World Trade Center, U.S. government efforts to facilitate travel to the United States, an interfaith roundtable, planned 9/11 memorials, and how survivors are rebuilding their lives.
