Statement of purpose (mandatory)

2,000 CHARACTERS MAXIMUM. Every letter, punctuation mark and space counts as a character.

Please state why you are interested in participating in “Exploring Web 2.0: Tools for Classroom Teaching and Professional Development”, avoiding the obvious. You do not need to mention any of the following, as it is already expected:

- you will improve your level of English
- you will learn a lot from being in touch with other teaching professionals from around the world
- you will improve yourself as a teaching professional
- your students and institution will benefit because you will be a better teacher and give better classes.

Explain what impact your participation in this program would have on your institution/region, and how you expect to put to good use, in the short term, the knowledge acquired in this course, giving concrete, specific examples.
