

# Crestcom International, LLC.

## A Top-Rated Management/Sales Training Franchise

### WHY CRESTCOM?

- Top-rated Management Training Franchise
- Owning a Crestcom® Franchise can give you the opportunity to run your own business...the opportunity to go as high and as far as your goals and abilities will take you.
- Crestcom licensees have the opportunity to offer world-class training as part of a highly respected and rapidly growing worldwide network.
- Crestcom “reinvents” its flagship **BULLET PROOF®** MANAGER course regularly, which means you have new materials to train and retain existing clients.

### Executive-level business opportunity in more than 60 countries.

Crestcom licensees deliver world class management training to countless businesses each year. **Crestcom requires that all prospective licensees attend an intensive initial training session before making a financial investment in Crestcom.** This allows both Crestcom and the potential candidate to determine whether Crestcom is the right opportunity.

### Crestcom support

At Crestcom, you are in business for yourself, not by yourself. Crestcom licensees have an opportunity to learn and receive referrals from a wide network of business owners who have experienced the same challenges and opportunities running their own business. You also get the benefit of Crestcom’s time-tested sales and training systems to help you start your business with strength and efficiency.

### What’s so special about Crestcom training?

Crestcom training makes a difference. Crestcom licensees have worked with respected companies such as IBM, Cisco Systems, Toyota, Ericsson SA, Coca-Cola, Kuwait Petroleum Corp., FedEx, Sony, Cemex, SAS, and Nike. Crestcom has also served thousands of small and medium-sized companies worldwide.

### Crestcom...Trainers to the World®

Referrals generated by other licensees can be very important to your business ... and Crestcom is THE international training company. Crestcom training is currently offered by licensees in more than 60 countries. The training is available in over numerous language versions.

### What’s the investment for a Crestcom Franchise?

The initial franchise fee for a Crestcom Franchise ranges from \$55,000 to \$80,000 USD.
