SCHEDULE OF SUPPLIES/SERVICES, BLOCK 20
DESCRIPTION/SPECIFICATIONS/WORK STATEMENT**

1.0 SCOPE OF WORK

The American Consulate General Lahore requires the Contractor to maintain the power generators identified in Attachment 1 in safe, reliable and efficient operating condition. The Contract shall provide all necessary managerial, administrative and direct labor personnel, and as well as all necessary transportation, equipment, tools and repair parts required to perform inspection, maintenance, repair, and component replacement as required to maintain the generators in accordance with the manufacturer's specification.

The contractor shall provide all supervision, labor, tools and equipment to carry out all preventive maintenance and repair of the equipment. Embassy shall provide all filters, oil, grease, coolant and other consumables. The contractor is also available for removal from site and dispose of all used oil, filter, rags and maintenance associated trash.

Under this contract the Contractor shall provide:

- The services of a trained generator mechanic on a basis to check and repair equipment operation and perform scheduled and preventive maintenance;
- 24 hours/day, 7 days/week emergency response service;
- Appropriate, same day, service in response to a generator malfunction trouble call; and
- After-hours emergency minor adjustment callback service

The Consulate agrees to purchase or maintain at its own cost, all necessary spares and replacement parts. These parts and/or replacements are to be made freely available to the vendor when in judgment they are required. Performance and responsibilities under this contract are associated with the availability of such materials, notwithstanding that vendor will provide that spare parts from his stock if available with them, which will be charged at additional cost. It is agreed that the vendor will not assume possession or management of any part of the equipment but he can take the equipment to his workshop for extensive repair, if required with the approval of COR.

2.0 HOURS OF PERFORMANCE

The Contractor shall schedule all routine maintenance and repair work during normal building hours which are defined as 8:00 to 16:30 Monday to Friday, excluding local and bank holidays, unless approved in advance by the Contracting Officer's Representative (COR).

3.0 ACCESS TO GOVERNMENT BUILDINGS AND STANDARDS OF CONDUCT

3.1 General. The Contractor shall designate a representative who shall supervise the Contractor's generator mechanics and be the Contractor's liaison with the American Consulate General, Lahore. The Contractor's employees shall be on-site only for contractual duties and not for any other business or purposes. Contractor employees shall have access to the generators' hoistways, lobbies and machine rooms, either with or without security escorts, only with specific permission by either the Contracting Officer or the COR.
