Emergency Message for American Citizens

The Department of State alerts U.S. citizens of the potential for anti-U.S. actions following the disruption of a plot, linked to Iran, to commit a significant terrorist act in the United States. This Travel Alert expires on January 11, 2012.

An Iranian-born U.S. citizen, working on behalf of the Iranian Islamic Revolutionary Guard Corps Qods Force - designated by the Treasury Department in 2007 for its support of terrorism - is suspected of conspiring to assassinate the Saudi Arabian Ambassador to the United States. The U.S. government assesses that this Iranian-backed plan to assassinate the Saudi Ambassador may indicate a more aggressive focus by the Iranian Government on terrorist activity against diplomats from certain countries, to include possible attacks in the United States.

U.S. citizens residing and traveling abroad should review the Department's Worldwide Caution and other travel information when making decisions concerning their travel plans and activities while abroad. U.S. citizens are encouraged to enroll in the Smart Traveler Enrollment Program (STEP). U.S. citizens without internet access may enroll directly at the nearest U.S. Embassy or U.S. Consulate. By enrolling, U.S. citizens make it easier for the embassy/consulates to contact them in case of emergency.
