Security Message for U.S. Citizens – Upcoming Nationwide Demonstration

19 January 2015

The U.S. Embassy alerts U.S. citizens that there is a nationwide demonstration scheduled for Monday, January 19, 2015 starting at 08:00. The announced purpose of the event is to urge the Paraguayan government to take actions on agricultural issues. A number of roadblocks along the major highways (Routes 1, 2, 3, 6, 7 and 10) are expected.

Although this demonstration is intended to be peaceful, it can turn confrontational and escalate into violence. The U.S. Embassy strongly recommends that you plan your trips accordingly; avoid areas of demonstrations; and exercise caution if in the vicinity of any large gatherings, protests, or demonstrations. Review your personal security plans; remain aware of your surroundings, including local events; and monitor local news stations for updates. Maintain a high level of vigilance and take appropriate steps to enhance your personal security and follow instructions of local authorities.
