(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) Are, are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) Have, have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(4) Have, have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined*. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) **Certification Regarding Knowledge of Child Labor for *Listed End Products* (Executive Order 13126).** [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at [22.1503\(b\)](#).]

8. Default by Seller. In the event of the failure of the Seller to deliver vacant possession and ownership, or in the event of any default by the Seller, all money paid by the Purchaser to the Seller shall be returned by the Seller immediately upon demand or, at Purchaser's discretion, the Purchaser shall have the option to avail itself of any legal or equitable rights, including without limitation, the right of specific performance, which Purchaser may have at law or in equity. Failure to vacate and deliver the premises with promised improvements in place by the termination date in paragraph 4, will result in a penalty to the seller for every month (or portion thereof) thereafter of 2% of the purchase price and will entitle the USG to pursue legal satisfaction for breach of contract.

9. Title. The Property shall be sold free of encumbrances, mortgages, restrictions, limitations or other agreements affecting the land or building(s). The Seller guarantees that on the Settlement Date there will not exist before any local authority any lien, tax, or other federal tax or charge of any kind, any preventive or executive measures (embargo, attachment, prohibition on selling and taxing), or any other measure that curtails, diminishes, or limits free disposal of the Property). The Property shall be delivered free of any form of occupancy, tenancy, lessees, borrowers, squatters or any other unlawful possessor or holder. Title is to be good and marketable subject to easements, covenants, conditions and restrictions of record, if found to be acceptable to Purchaser; otherwise this Agreement shall be voidable at the option of the Purchaser. If, during the life of this Agreement any of the matters described in this paragraph

adversely affect the Property or its value, the Seller shall undertake all procedures necessary or advisable to diligently resolve the problem within sixty (60) days at its cost, failing which the Purchaser shall have the right to terminate this Agreement without penalty.

10. Discharge of Mortgages. In keeping with clause 9 (as above), should the property be subject to one or more liens or mortgages to any lending institution or individual, the Purchaser agrees to accept from the seller a discharge of such mortgage provided that such document is in registerable form. The Seller agrees to comply with any requisition that may be raised by the Land Registry office with respect to the registration of such discharge and pay the registration fee due in respect of such discharge.

11. Representations. If any representation in this contract is untrue or incomplete on and as of the Settlement Date, Seller will be in default and Purchaser may terminate this contract and avail itself of all remedies provided in Section 8. All representations contained in this contract will survive closing.

12. Based upon the Vienna Convention on Diplomatic Relations, the Seller acknowledges that the Purchaser is exempt from the payment of all [list relevant property taxes and fees for which we have exemption, based on local counsel's opinion]. Given this, the Seller will attend to the payment of all such fees and taxes up to and including the date of settlement and should such fees and taxes be paid to a date beyond the date of settlement the Seller shall have no right to request nor will the Purchaser allow any pro rata adjustment in favor of the Seller.

13. Termination. If for any reason, the conditions listed in Article 6 have not been met to the Purchaser's satisfaction by the Settlement Date in Article 4, Purchaser shall notify Seller in writing and on the date of such notice, this Agreement shall terminate, and both parties shall be released from their respective obligations and neither shall have to pay the other any indemnification. However, as stated in Article 4, the parties may agree in writing to extend the Settlement Date to allow sufficient time to satisfy the condition(s).

14. Expenses and Fees. All appropriate fees and any other property charges assessed to the Seller under local law shall be borne by the Seller. Fees and any other property charges

assessed to the Purchaser under local law from which the Purchaser is not exempt based upon the Vienna Convention, shall be borne by the Purchaser. Purchaser's agreement to be responsible for any taxes, costs, and fees do not constitute a waiver of any exemptions Purchaser is or may be entitled to under international or local law.

15. Assignability. This Agreement may not be assigned without the written consent of the Purchaser and the Seller.

16. Covenant. The Parties to this Agreement agree that it shall be binding upon them, and their heirs, executors, administrators, successors and assigns; that the provisions hereof shall survive the execution and delivery of the aforesaid Title/Transfer/Deed document, and shall not be merged therein; that this Agreement, unless amended in writing, contains the final and entire agreement between the parties hereto and that they shall not be bound by any previous conditions, oral statements, warranties or representations not herein contained. The words "Seller" and "Purchaser" as used in the Agreement shall include the plural as well as the singular and masculine as well as the feminine.

17. This Agreement shall be governed by the laws of the country in which the Property is located.

18. Seller's Certifications. In conjunction with the execution of this Agreement, the Seller has executed the Seller's Certification, attached hereto as Exhibit B.

15 FAM 432.4 – Pre-Purchase Certification

15 FAM 432.4 Pre-purchase Certification

(CT:OBO-24; 01-26-2012)

- a. After OBO for State Department properties, or, in the case of USAID properties, USAID/W-M/MS/OMD, authorizes the employment of local experts, the local expert in land titles must search the title and formally report in English that the field verification survey and the engineer's or land surveyor's report have been compared with the existing title record. The expert's report must contain the following certifications:
- (1) That the property description in the purchase agreement corresponds exactly with the description in valid deeds and prior land surveys in the offices where conveyances, survey plats, and other instruments that affect title are officially recorded;
 - (2) The field verification of the existing title records reveals:
 - (a) No discrepancies exist in measurement of boundaries or land areas;
 - (b) There are conditions (if these exist) that might adversely affect the U.S. interests (conditions to be listed) that do not appear in the abstract of title; or
 - (c) A comparison of the field survey and title search reveals certain exceptions (if these exist) to a clear and unencumbered title that do not appear in the present title record (exceptions to be listed), but that the vendor, at his or her expense, has taken or is taking all steps necessary to clear any noted exceptions, and that the proposed legal instrument of conveyance, as drawn by the local land title expert, will, under local law and custom, serve as a document of correction to the erroneous title record;
 - (3) There are no mortgages, liens, charges, incidents of tenure, encroachments, reserved strips of land blocking access to public thoroughfares, street widening or public improvement projects proposed or pending, or any other encumbrances or defects of any kind recognized by the laws of the country as affecting the title; and
 - (4) The vendor has a perfect, exclusive, and unencumbered title to the property and full power to convey it to the United States of America.

- b. If the description referred to in subparagraph (a)(1) of this section differs, the post must submit to OBO *for State Department properties*, or, in the case of USAID properties, USAID/W-M/MS/OMD, a report that details the variances and the points that correspond. The report should indicate the steps necessary to correct the variances, if such corrections are recommended. If encumbrances or defects exist, the post must report to OBO *for State Department properties*, or, in the case of USAID properties, USAID/W-M/MS/OMD, their nature, duration, and *any* plans to lift them.
- c. Fees for services of local land title experts *will be funded by OBO for State Department properties, or, USAID/W-M/MS/OMD, for USAID properties when notified* of the estimated charge.

Attachment 3

15 FAM 432.5 – Post Purchase Certification

15 FAM 432.5 Post-purchase Certification

(CT:OBO-24; 01-26-2012)

Upon completion of the purchase, the local expert in land titles must certify in writing that:

- (1) The deed is in the form approved and uniformly used in the country;
- (2) The deed has been filed, recorded, and registered in accordance with local law, and the United States of America is now the legal owner of record; and
- (3) All steps necessary to ensure a perfect, unencumbered title on behalf of the United States have been taken. If OBO *for State Department properties*, or, in the *case of USAID properties*, USAID/W-M/MS/OMD, has approved acquisition of an interest in realty with less than a perfect unencumbered title, the post must specify any way in which the title is less than perfect. In such instances, posts should also specify whether or not the imperfections may be remedied and, if so, how.
