#### Security Message for U.S. Citizens: Worldwide Caution October 10, 2014

Please be advised that the Department of State issued a Worldwide Caution on October 10, 2014. It is available at <http://travel.state.gov/content/passports/english/alertswarnings/worldwide-caution.html>. This replaces the Worldwide Caution dated April 10, 2014, to provide updated information on security threats and terrorist activities worldwide.

We recommend that U.S. citizens and nationals traveling to or residing in Poland enroll in the State Department's [Smart Traveler Enrollment Program \(STEP\)](#). STEP enrollment gives you the latest security updates, and makes it easier for the U.S. embassy or nearest U.S. consulate to contact you in an emergency. If you don't have Internet access, enroll directly with the nearest U.S. embassy or consulate.

Regularly monitor the [State Department's website](#), where you can find current Travel Warnings, Travel Alerts, and the Worldwide Caution. Read the Country Specific Information for [Poland](#). For additional information, refer to "[A Safe Trip Abroad](#)" on the State Department's website.
