

THE CITY OF NEW YORK  
OFFICE OF THE MAYOR  
NEW YORK, NY 10007

July 4, 2010

Dear Friends:

It is a great pleasure to send greetings to everyone commemorating the Fourth of July in Poland.

Throughout our history, New York City has always been proud to be the world's second home—a place where people from many different cultures speak nearly 200 languages and live side by side. Our diversity defines and strengthens us, and we're delighted to join all those in Poland and around the world in celebrating America's independence and the freedoms we enjoy today.

And next time you're in New York, be sure to embrace everything our great City has to offer. Just ask the 45 million people who visited us last year: there's no better way to experience the electricity and diversity of New York than by exploring the sights, restaurants, and shops in our neighborhoods. From Coney Island's boardwalk amusements to the stunning views of the Statue of Liberty and Manhattan skyline aboard the Staten Island Ferry to the beautiful green spaces of Central Park—and all points in between—there's enough here to see and do to last a lifetime!

On behalf of the City of New York, I commend Ambassador Feinstein and everyone at the U.S. Embassy in Warsaw for hosting today's festivities. Please accept my best wishes for an enjoyable celebration and a terrific Fourth of July.

Sincerely,

A handwritten signature in black ink that reads "Michael R. Bloomberg".
