

PACK EXPO Las Vegas
September 28 – 30, 2015
Las Vegas, Nevada USA
 ADVANCING PROCESSING & PACKAGING

**Processing & Packaging
 Conference and Tradeshow**

September 28–30, 2015 • Las Vegas, Nevada USA

The U.S. Commercial Service at the U.S. Embassy in the Dominican Republic, invites you to join the Official Delegation attending PACK EXPO 2015, the largest processing and packaging trade show in the industry.

At PACK EXPO 2015 you will see the most advanced solutions for achieving efficiency, safety, productivity and brand impact; explore technologies for more than 40 packaged consumer goods industries, including food, beverage and personal care; solve problems with 2,000 top suppliers; learn about industry developments in free educational presentations on the show floor; and network with nearly 30,000 colleagues from around the world.

If you are looking for solutions for pharmaceutical products and medical devices, you will find them at the co-located **Pharma EXPO**. It is designed to provide pharmaceutical, biopharmaceutical, medical device and nutraceutical manufacturers: advanced solutions for the entire pharmaceutical lifecycle; a world-class conference program, organized by the International Society for Pharmaceutical Engineering (ISPE); the chance to network and share ideas with colleagues across different industries.
