

### **Connect to Success Consultee Profile**

**Name of Company: Perfect Fit Services**

**Give a brief description of the company.**

Perfect fit is a company created by two twin sisters. Our aim is to provide a variety of services to our customers. We tend to say that we want to find their perfect fit, meaning a correct match! We work mainly in two industries (textile and baby care products). Our services range from finding manufacturers, opening markets, doing research, creating new opportunities, etc

Our experience has given us the understanding of the value chain process and this allow us to understand the needs and provide customized solutions and support for our customers.

**What does your business hope to achieve through Connect to Success's MBA/Masters Consulting Program?**

We hope to formalize our business and to create a strategic path for the next 3 to 5 years. We hope it will allow us to see with more clarity where we stand and where and how we can grow and evolve.
