**Q: Tell us about your company's involvement in social responsibility and how your company and/or the community has benefited.**

Corporate and Social responsibility is part of our mission.

Our choices consider the impact in our people and in the community. Our projects involve environmental responsibility, support to organizations that help the communities and whenever specific needs are identified, educational activities for youngsters, support to start-ups and involvement in diversity matters.

**Q: What do you hope your team will gain through their participation as mentors in Connect to Success' Corporate Mentoring Program?**

Normally we do not get to work with start-ups or very small companies. I hope it will be very interesting insightful for my team to understand the needs and the perspective of an entrepreneur that is just starting a business from scratch as it is quite different from the needs of a big business. I hope also that they engage with the mentees and get motivated with their success.

**Q: What do you hope the mentee(s) selected by your company to participate in the program will achieve at the conclusion of his/her/their participation?**

I hope they will have clear their vision and their objectives for the business and that we have helped them move their business to the next level.
