

Connect to Success Mentee Profile

Name of Company: Master Vision Consultores de Gestão, Lda.

Give a brief description of the company.

We provide services in finance, accounting, fiscal, management and training. We are a dynamic team, responsible and competent, focused on the client satisfaction. The Master Vision personifies the personal initiative of entrepreneurship and the realization of a dream with growth ambitions.

What does your business hope to achieve through Connect to Success's Corporate Mentoring Program?

- Improve corporate image of the company
- Develop marketing strategy to promote the communication of the company and its services
- Automate internal processes in order to become more profitable
- Increase customer portfolio

A Corporate Team Mentoring may help in analyzing the company's culture, our processes and our image, giving added value inputs to achieve our objectives.
