Pre-Solicitation Notice – Structural Investigation (Phase 1) for U.S. Embassy Chapel in Lisbon

Ref: SPO500-14-Q-0001

The Embassy of the United States of America in Lisboa intends to issue a solicitation to acquire the services of a structural engineer to do the field surveys/investigations report for the existing wall cracks and roof water leakage at the Chapel and Gymnasium located inside the U.S Embassy compound in Lisbon, Portugal.

Only companies specializing in this field of work should apply for a solicitation package.

Interested parties should contact:
