Pre-Solicitation Notice – Construction/Install a mantrap in CAC II at the U.S. Embassy Lisbon according to the specifications, plans and drawings provided by the U.S. Government

Ref: SPO500-14-R-0001

The Embassy of the United States of America in Lisbon has a requirement for a firm to construct and install a mantrap in CAC II at the U.S. Embassy Lisbon according to the specifications, plans and drawings provided by the U.S. Government . This construction effort is estimated at an amount between Euros 100,000 and Euros 250,000.

All firms that respond to the solicitation must be technically qualified and financially responsible to perform the work. At a minimum, each offer must meet the following requirements when submitting their proposal:

- Be able to understand written and spoken English;
- Have an established business with a permanent address and telephone listing;
- Have the necessary personnel, equipment and financial resources available to perform the work;
- Have all licenses and permits required by local law;
- Meet all local insurance requirements;
- Have the ability to obtain a performance and guarantee bond and a payment bond, or to post adequate performance security, such as irrevocable letters of credit or guarantees issued by a reputable financial institution;
- Have no adverse criminal record;
- Have no political or business affiliation which could be considered contrary to the interests of the United States;
- Have good experience and past performance records; and,
- Identify specialized experience and technical competence required to complete the construction work in accordance with the solicitation.

If a firm is interested in competing this requirement, please contact:
