**Security Message for U.S. Citizens**  
**Planned Demonstrations on June 8, 2015**

The U.S. Embassy in Quito would like to inform U.S. citizens of demonstrations in response to government initiatives which are planned on the Galapagos Islands of Santa Cruz and San Cristobal, Ecuador, on June 8, 2015. Demonstrators are expected to gather in Puerto Ayora, Santa Cruz on the Miraflores sports fields from 3:00 p.m. to 6:00 p.m. on June 8. In Puerto Baquerizo Moreno, San Cristobal demonstrators are expected to meet at the Governor's building from 3:00 p.m. to 6:00 p.m. on June 8.

The gatherings are estimated to garner between 80 and 120 participants. Protests may continue for the remainder of the week and be ongoing for the next several weeks.

The U.S. Embassy advises U.S. citizens to avoid the areas near the demonstrations and to remain alert and informed via local news sources regarding areas where demonstrations may be occurring. Even demonstrations intended to be peaceful can turn confrontational and escalate into violence. You should avoid areas of demonstrations, and exercise caution if in the vicinity of any large gatherings, protests, or demonstrations. Review your personal security plans; remain aware of your surroundings, including local events; and monitor local news for updates. Maintain a high level of vigilance and take appropriate steps to enhance your personal security and follow instructions of local authorities.
