

American Corner RTUC-Rubavu Presents

Brest Cancer Talk,

Cancer is a leading cause of death worldwide and accounted for 1.2 million deaths in the Americas (2008), 45% of which occurred in Latin America and the Caribbean.

This year **World Cancer Day 2013** will focus on dispelling damaging myths and misconceptions about cancer, under the tagline “Cancer - Did you know?”.

What if **you** and the **entire world** joined forces to fight **cancer**? Do you often wish to know the followings?

- What is Breast Cancer?
- Most Common types of Breast Cancer
- Examples of much less common types of breast cancer
- Stages of Breast Cancer

You are invited to hear Mrs Solange HAKIBA, MD, MPH; MNCH Specialist / Health Service Delivery USAID/ Rwanda

Date: Wednesday, April 03, 2013 at 2:00 p.m.

Venue: American Corner RTUC
