

Republika Srpska Chamber of Commerce  
Branch Office Banja Luka

USAID  
FROM THE AMERICAN PEOPLE

FOSTERING AGRICULTURAL  
MARKETS ACTIVITY (FARMA)

The U.S. Dept. of Agriculture (USDA), Fostering Agricultural Markets Activity (FARMA) and the Chamber of Commerce Banja Luka

Cordially invite you to a workshop on

**“RAISING MILK PRODUCTION THROUGH NUTRITION  
AND HIGH QUALITY U.S. GENETICS “**

The event will be held

**Wednesday, 15<sup>th</sup> of July from 10:30 to 13:30**  
**RS Chamber of Commerce**  
**Dure Danicica 1/II, Banja Luka**

Guest speakers include Dr. Martin Sieber, representative of U.S. Livestock Genetic Export Inc. (USLGE) who will highlight the importance of genetics for improving milk production and Dr. Midhat Glavic, FARMA Project representative who will speak about the benefits of good nutrition in dairy cattle and its impact on milk yields. We invite you to actively participate and take part in the discussion that will follow and join us for light refreshments after the workshop.
