SECURITY MESSAGE FOR U.S. CITIZENS

September 25, 2014

The Embassy and Consulates General have been monitoring recent media reports in which the organization calling itself the Islamic State (IS, also known by the acronyms ISIL and ISIS) has made threats against U.S. and Saudi interests. Most recently, this group stated that U.S.-led airstrikes against IS in Syria, in which Saudi Arabia participated, would be answered. The Embassy and Consulates General have no specific information about impending IS activity in Saudi Arabia. However, the Embassy strongly recommends that everyone maintain vigilance and employ good security awareness.

Regardless of where you are, it is always advisable to keep your security and situational awareness levels high. Please follow these good personal security practices:

Avoid crowds or large gatherings when traveling in public;

Know where you are going and have a plan of what to do in the event you encounter demonstrations or violence;

Identify safe locations in your area and how to get to them quickly;

Tell co-workers or neighbors where you're going and when you intend to return;

Minimize your profile while in public;

Always carry a cell phone and make sure you have emergency numbers pre-programmed into your phone such as the U.S. Embassy in Riyadh (011-488-3800), U.S. Consulate General in Dhahran (013-330-3200), and U.S. Consulate General in Jeddah (012-667-0080). The emergency number for the Saudi Police, Fire, and Rescue is 999;

Be prepared to postpone or cancel activities for personal safety reasons;

Report concerns you may have to the U.S. Embassy in Riyadh, the U.S. Consulate General in Dhahran, or the U.S. Consulate General in Jeddah.
