SECURITY MESSAGE FOR U.S. CITIZENS

January 30, 2015

The U.S. Embassy is aware of an incident in which two U.S. citizens were fired upon near the Royal Palace in central Hafuf in Al Hasa in the Eastern Province today, January 30, 2015. One was wounded. Security forces are investigating and the Embassy is seeking further information about the incident.

Following the November 3, 2014 attack on a community center in Al Hasa, the U.S. Embassy in Saudi Arabia instructed its employees and their family members to avoid travel to Al Hasa and urged all U.S. citizens to do the same. This travel restriction remains in place.

All U.S. citizens are encouraged to be aware of their surroundings, and take extra precautions when travelling throughout the country. The Department of State urges U.S. citizens to carefully consider the risks of traveling to Saudi Arabia and limit non-essential travel within the country.

Regardless of where you are, it is always advisable to keep your security and situational awareness levels high. Please follow these good personal security practices:

Avoid crowds or large gatherings when traveling in public;

Know where you are going and have a plan of what to do in the event you encounter demonstrations or violence;

Identify safe areas (for example police stations, hospitals, Saudi Government buildings) in your area and how to get to them quickly;

Tell co-workers or neighbors where you're going and when you intend to return;

Minimize your profile while in public;

Always carry a cell phone and make sure you have emergency numbers pre-programmed into your phone such as the U.S. Embassy in Riyadh (011-488-3800), U.S. Consulate General in Jeddah (012-667-0080), and U.S. Consulate General in Dhahran (013-330-3200). The emergency number for the Saudi Police, Fire, and Rescue is 999. Please keep in mind that most emergency dispatchers and personnel do not speak English;

Be prepared to postpone or cancel activities for personal safety concerns;

Report concerns you may have to the U.S. Embassy in Riyadh, the U.S. Consulate General in Jeddah, or the U.S. Consulate General in Dhahran.
