

United States Embassy Dakar, Senegal
Routine Message for U.S. Citizens
Worldwide Travel Alert

December 22, 2014

The lone wolf attack in Sydney, Australia on December 15, 2014, resulting in the deaths of two hostages, is a reminder that U.S. citizens should be extra cautious, maintain a very high level of vigilance, and take appropriate steps to enhance their personal security. This Travel Alert expires on March 19, 2015.

An analysis of past attacks and threat reporting strongly suggests a focus by terrorists not only on the targeting of U.S. government facilities but also on hotels, shopping areas, places of worship, and schools, among other targets, during or coinciding with this holiday period. -U.S. citizens abroad should be mindful that terrorist groups and those inspired by them can pose unpredictable threats in public venues. U.S. citizens should remain alert to local conditions and for signs of danger.

We strongly recommend that U.S. citizens traveling to or residing in Senegal or Guinea-Bissau enroll in the Department of State's [Smart Traveler Enrollment Program \(STEP\)](#). STEP enrollment gives you the latest security updates, and makes it easier for the U.S. embassy or nearest U.S. consulate to contact you in an emergency. If you don't have Internet access, enroll directly with the nearest U.S. embassy or consulate.

In addition, if you wish to participate in the optional SMS/text messaging program to receive security notices via text message, please send an email to DakarACS@state.gov for additional information.
