The American Embassy is pleased to announce the 2014 Hubert Humphrey Fellowship Program. This one year, full-scholarship program is offered to mid-career professionals working at policy-level who have a record of leadership, a commitment to public service, and the initiative to take full advantage of a self-defined program of independent study at a leading American university.

The Hubert H. Humphrey Fellowship Program brings accomplished professionals from developing countries to the United States at a midpoint in their careers for a one-year program of non-degree study and related professional activities. The program seeks to foster an exchange of knowledge and mutual understanding between American citizens and professional counterparts from Senegal.
